

# A BETTER TECH

## PUBLIC INTEREST TECHNOLOGY CONVENTION AND CAREER FAIR

### Recruit the Next Generation of Public Interest Technology Leaders: OCTOBER 15

Whether or not you're actively recruiting this fall, you'll have access to **6000+ students from the 43 leading universities** in the New America Public Interest Technology University Network, as well as researchers and responsible tech professionals. The convention is OCTOBER 14, and the career fair happens **OCTOBER 15**.

Join our **FREE & FULLY VIRTUAL career fair** to set up 1-on-1 meetings with top students in CS, AI/ML, Information Science, Data Science, Public Policy, HCI, UX, Social Sciences, Arts, Humanities, Engineering, & other fields.

Tell them about your company or organization and describe how they can join you in **creating a better world through technology in the public interest**.

**Register to recruit on Handshake:**

# What Is Public Interest Technology (PIT)?

Public interest technology (PIT) is an emerging field in which technologists, designers, strategists, researchers, and policy makers leverage digital technologies to create more sustainable and inclusive economic and governance systems.

## Examples of PIT Roles:

Careers in PIT can vary widely, and span areas of expertise within organizations engaging in public interest tech and responsible tech. Some examples might include:

- Policy Manager
- **Researcher, Human-Centered AI**
- Privacy Manager
- **Program Manager, Responsible Innovation**
- Data Scientist
- **Postdoctoral Researcher**
- UX Designer
- **DEI Director**
- **Fair & Responsible Banking Specialist**
- Social Trust Specialist
- **Trust & Safety Specialist**
- Senior Counsel, Responsible AI
- **AI Software Engineer**
- Applied Engineering Manager
